Experience

April 2021 – Current

Digital Designer • Cox Automotive • Remote based

Creating and delivery innovation on-brand digital project from concept to completion. Working closely and communicating directly with project leads and stakeholders. Considering multiregional legalities for international websites. Building custom content to meet internal project outlines, and hosting handover presentations to the project stakeholders.

October 2019 – April 2021

Digital Designer • HMCA • Leeds office based

Responsible for creating visually stunning and effective print and digital advertisements, marketing materials and website layouts. Working with internal customers to meet briefs and project scopes.

July 2013 – October 2019

Website Designer & SEO • Infoserve • Leeds office based

Working closely with the marketing team to bridge the gap between visual design SEO and technical implementation while maintaining the user interface and components with backend functionality. Attending customer briefings and handover presentations.

About Me

A Digital Designer with 10 years industry experience looking for my next challenge in the right remote working role.
